ABOUT SIGLOX GLOBAL

Authentic Indian flavors, delivered worldwide

SIGLOX GLOBAL PVT LTD exports premium spices, chillies, coffee, and food products from India to buyers across 30+ countries. Rooted in the Hadimani family's 40-year spice-trading heritage in Byadgi, Karnataka, we manage the entire pipeline — sourcing, processing, quality testing, and export — with no middlemen in between.

Every batch is tested at an NABL-accredited laboratory to FSSR 2011 and USFDA standards before export, so importers receive consistent, traceable quality with full documentation.

MOQ	On request

HOW WE WORK

From trusted growers to your port

01 Trusted Sourcing

40 years of selecting growers across Karnataka and India — chosen by season and freshness of the raw material.

02 Processing & Grading

Cleaning, grading, and processing to your specification, managed end-to-end with no middlemen.

03 Lab Testing

Every batch tested at an NABL-accredited lab to FSSR 2011 and USFDA standards before export.

04 Export & Documentation

Packing, export documentation, and shipping to 30+ countries — with COAs and spec sheets provided.

Ready to import from India?

Request a quote, order free samples, or ask for full spec sheets — we respond within 24 hours with pricing and COA.
